Virginia Amateur Sports is proud to announce their annual golf tournament, named after Owen Grogan, longtime Sports Director of VAS.

“Owen Grogan Memorial Golf Tournament”

Honoring Owen Grogan

Owen Grogan (1951-2014), commonly known as “The Big O” was Virginia Amateur Sports Games Director for 15 years. He was also very active with Area 8 Special Olympics and the Clean Valley Council. He loved sports and for many years officiated High School & college football, basketball and High School baseball.

Not only was Owen a big supporter of the Games & VAS, but he brought his family along too. He was more than just a colleague, he was someone that enriched the lives of others.

This year, VAS chose to rename the Golf Tournament to honor the legacy of a man that loved his family, VAS and the Valley.

In The Roanoke Valley**

The Commonwealth Games of Virginia is the largest amateur- sporting event held in Virginia each year. It has become the Signature sports event held in the Roanoke Valley. Over the past 25 years, approximately 215,000 people have participated in this Olympic style sports festival that is recognized by the United States Olympic Committee as a Games Participant.

Various organizations and businesses are beginning to realize the value of what the economic impact of hosting amateur sporting events can have on a community. Convention and Visitors Bureaus, Sports Commissions, Chambers of Commerce and other entities are choosing amateur sports as an economic engine and community development tool. Competition for securing events such as the Subway Commonwealth Games of Virginia and other multi-state and national events has become very competitive. There is a lot of interest throughout the state of Virginia to host this annual event. Your sponsorship of our 18th annual golf tournament will continue to enhance our ability to keep the Games in the Valley.
