

This map shows a red trail route around Rivers Edge North Park. The trail starts near the Roanoke River, goes north along the river, then turns east and follows a path through the park area, eventually heading south and then west to return to the river. Key features include the Roanoke River, Roanoke River Greenway, and surrounding streets like Reserve Avenue Southwest and South Jefferson Street. A scale bar indicates 30m and 100ft. Map data is attributed to OpenStreetMap Contributors.
