

3D Archery COVID-19 Guidelines

- 1. Participants/Parents/Coaches are encouraged to supply antibacterial wipes and hand sanitizer for disinfecting and cleaning hands regularly.**
- 2. Participants, coaches, and spectators should remain a six foot distance from others, unless they are members of the same family.**
- 3. Participants must use their own equipment and pull their own arrows.**
- 4. Participants are encouraged to bring their own pen or pencil for recording scores.**
- 5. Face coverings are encouraged inside any of the buildings on the premises of the Liberty Mountain Gun Club.**
- 6. No shared water coolers will be allowed. Athletes should have their own cooler or container with their name labeled on that item.**

We realize that these restrictions are not normal for us, but we must follow these rules in order to run the event. As always, our main concern is the health and safety of our archers, coaches, and families.
