\*Events denoted with “Able” in the title are part of the Able Games. The Virginia Commonwealth Games has made it a mission to broaden its sport offering to include athletes who may have a physical and/or intellectual disability. It is important that all athletes feel included and are given the opportunity to not only win a medal, but to have an unforgettable experience while participating in a sport they enjoy. In 2024, the Virginia Commonwealth Games will be hosting the Able Games composed of 8 different events: rugby, baseball, bowling, wheelchair basketball, wheelchair tennis, fishing, soccer, and track & field. The goal is to continue to add more opportunities each year for these amazing athletes. We look forward to the future of the Able Games!
